Missions

Bring Health Care Close to Home: Many rural villages are hours or days away from the nearest medical facility, making disease prevention and basic care inaccessible. Training local community members in health education and basic care practices means better awareness and healthier lives for people living in remote regions.
\$50/person, \$25/share, so far, we have **received \$115**

Melissa Watson/Kibidula- Donations to support Melissa need to be by check made out to "Outpost Centers International" with memo line "Kibidula-Melissa Watson" sent to: Outpost Centers, 5132 Layton Lane, Apison, Tn. 37302 or made online by going to: www.outpostcenters.org/donate/. The Harrison Church cannot accept any monies for Melissa.

***AED Location:** In case of a medical emergency, the AED is located above the fire extinguisher in the Sabbath School classroom hallway, beside the Cradle Roll door.
