Meals for Kids: ADRA is providing school lunches to kids in 5 different African countries. Because of terrible things like wars and famine, many kids don't have enough to eat. Their moms and dads can't provide for them. Sadly, sometimes, a child's only meal comes from the school lunches that ADRA provides. You can help a save lives by making sure that kids can receive one meal a day. **\$5 to feed 12 kids** so far, we have **received \$**
